Certification: Qualified Risk Auditor®

Date

10 - 24 July 2020

Deadline: 10 June 2020

Announcement

Examination Date
10 August 2020

Conducted via Computer Based Examination

Methodology

- Virtual Instructor Led Training via WebEx
- 120 minutes per session with 30 minutes breaks
- Online Discussion
- Online Examination

Programme Objective

- Learn how a successful and practical world-class Enterprise Risk Management (ERM) framework will help your organisation achieve its objectives at all levels, and gain the skills to effectively audit the ERM function.
- Assurance professionals will then be better placed to employ this practical knowledge to better design.
- Ensuring that the organisation is compliant to the relevant obligations and regulations is not enough for its sustainability. As a Qualified Risk Auditor equipped with a variety of ERM tools you will be able to identify strategic opportunities and add immense value to your organisation to further its competitive advantage.

Who Should Attend?

This program is suitable for anyone working in or related to Internal Audit, Risk Management, Corporate Planning, Strategy, Governance, Compliance, Operations, Regulators, Legal, Quality, Environmental Health & Safety, Project Management, etc. as well as Heads of Departments who are decision-makers in their respective organisations.
