

Financial Analysis for Credit Appraisals

7 - 8 March 2018

A proper and sound financing / credit appraisal is crucial when presenting financing/credit or business recommendations as well as making important decisions within the bank.

It is thus essential for banking executives and managers to equip themselves with the necessary analytical skills to proactively ask the right questions and to learn from the various experiences of banks to-date.

Learning Outcomes

- ❖ Demonstrate a better appreciation of the essential concepts of financing/credit risk analysis
- ❖ Grasp the key strategic issues and practical challenges confronting CEOs and the Board of Directors in banks
- ❖ Identify and analyse significant potential financing / credit risk issues
- ❖ Gain a higher degree of self-confidence when conducting financing / credit appraisal
- ❖ Raise their level of everyday work performance and professionalism

THE PROGRAMME LEADER

Mr P Manoharan is an experienced senior banker with over 30 years of proven leadership and management experience. He was previously the Executive Vice President and Advisor to Commercial Banking in a leading regional universal banking group. During the aftermath of the 1997/98 Asian Financial Crisis, he was called upon to serve as one of only three senior banking industry representatives in the Corporate Debt Restructuring Steering Committee from 1999 to 2001, under the auspices of Bank Negara Malaysia (Central Bank of Malaysia). He is currently the Managing Director of Manzett Management Sdn Bhd, a boutique business performance improvement company.
