## What is QEFITA?

The Qualifying Examination for Insurance/Takaful Agents is a Licensing Programme organised by CIBFM with the support and guidance of Autoriti Monetari Brunei Darussalam (AMBD) and the Brunei Insurance and Takaful Association. The programme, formulated to raise the standards of insurance and takaful industry, is intended to instil public confidence in the capability and knowledge of the insurance and takaful agents in Negara Brunei Darussalam. Utilising speakers and experts from the country itself, the two-day intensive programme covers the theoretical study of insurance and takaful as well as the legal and regulatory requirements of Brunei Darussalam and ends with a two-hour examination.

## Programme Leader

Haji Darryl A. B. Haji Maidin has been working in the financial services industry overseas as a legal advisor since 2004 and has held several positions in management. He is currently the Deputy General Manager at Syarikat Takaful Brunei Darussalam Sdn Bhd (STBD) heading Corporate and Legal Compliance where he oversaw the merger in 2010. He is also the Deputy General Manager of Takaful Brunei Am Sdn Bhd (TBA) heading Legal and Casualty Claims.

Darryl is admitted as a Barrister and Solicitor to the Supreme Court of NSW and the High Court of Australia. Born in the Sultanate of Brunei Darussalam Darryl completed his studies in London and Cardiff in the United Kingdom, before moving to Perth and Sydney, Australia to complete his legal education. His main area of practice is in corporate and commercial law with a focus in a range of general commercial matters.

Having worked extensively with Law firms both nationally and internationally, Darryl's incisive, analytical and methodical approach has ensured him an enviable reputation for delivering quality work. He has handled portfolios within the large corporate environment and liaised with Government agencies and representatives, officers and senior executives from some of the world's largest financial companies. Once awarded Young Scientist of the Year (1991) Darryl is passionate about science and the environment and believes in making a difference to help contribute to the preservation of our environment. "Knowledge is a pathway that will cause a change in the mindset of people's lives. This change will, in turn, cause a change in individual action".
