Programme Overview

The LIFE programme is a professional learning pathway that covers all sectors in Islamic Finance namely Islamic Banking, Takaful and Islamic Capital Market and is designed upon knowledge delivery mapped against competency levels in order to enable a structured learning process for the participants. The programme helps produce quality experts in the field of Islamic finance in Brunei Darussalam to remain current in respect to the knowledge and skills required to deliver professional services in pace with contemporary professional development. Aligned with BDCB's Financial Sector Blueprint (FSBP), this programme is part of BILIF's effort to further develop the Islamic finance industry in Brunei Darussalam in accordance to the country's National Vision 2035.

Programme Learning Progression

The LIFE learning progression is divided into 3 structures:

Common Core:

This core covers 9 knowledge areas that are common within all sectors in the industry - Islamic Banking, Islamic Capital Markets and Takaful. These modules are compulsory.

Sector Core:

Sector core covers the main focus of Islamic Finance which are Islamic Banking, Islamic Capital Market and Takaful. Participants will select their preferred sector either Islamic Banking, Islamic Capital Market or Takaful.

Specialised knowledge:

Participants will learn more in depth of their preferred specialization. Participants will take modules and examination necessary to become a specialist in their selected sector.

Entry Requirement

For Common Core as follows:

- 2 O Level

*Note: No working experience and related degree required

Methodology

LIFE Common Core is organised as a self-paced online study via our BILIFplus platform where all applicable learning materials are available and ready to be accessed according to the participants' schedules.
