SPEAKERS' PROFILES

Dr Sami Al-Suwailem
Acting Director General
Islamic Development Bank Institute

Dr. Al-Suwailem is currently Acting Director General, Islamic Development Bank Institute, and Group Chief Economist of the Islamic Development Bank Group, Jeddah, Saudi Arabia.

Before joining the Institute in 2004, Dr. Al-Suwailem managed the Research and Development Center at Al-Rajhi Bank, Riyadh, Saudi Arabia. He worked at the Institute of Islamic and Arabic Sciences in America, Virginia; Southern Illinois University, Carbondale, Illinois, USA; and King Saud University, Riyadh, Saudi Arabia.

Dr. Al-Suwailem held membership in several professional committees, including the Technical Committee of the Islamic Financial Services Board; Economic Committee of Awqaf at the Ministry of Islamic Affairs in Riyadh; Academic Committee in Islamic Fiqh Academy of Muslim World League; Liquidity Risk Management Working Group at IFSB; and Task Force for Islamic Finance and Global Financial Stability at IsDB, among others.

He obtained his M.A. from Southern Illinois University, Carbondale, Illinois, in 1990, and his Ph.D. from Washington University, St. Louis, Missouri, in 1995. He authored several books and papers on Islamic economics and finance.

Dr Kemal Rizadi Arbi
Expert/Advisor
Capital Markets and Islamic Finance

30 years global experience in the banking and financial industry (both government and private sectors) – involved in Islamic finance, corporate banking, investment banking, corporate finance, ESG sustainable finance, corporate governance, fund management, crowdfunding platforms, fintech, virtual assets, and as a regulator, policy maker and strategic developer of capital markets (including the Islamic capital market) in the Middle East and Asian region.

Currently working as an Expert/Advisor for Capital Markets and Islamic Finance with the government of the Sultanate of Oman and have been with the Executive President and Vice President's Office at the Capital Market Authority (Oman CMA) for the last 10 years, which regulates and develops the financial industry in Oman relating to the capital market and insurance sectors (both conventional and Islamic). My appointment is by the Minister of Finance and Executive President

SPEAKERS' PROFILES

Dr Farrukh Habib
Co-Founder
Alif Technologies (Dubai) & Shariah Experts (London)

Dr. Farrukh Habib is an expert in Islamic law, finance, and fintech with over 9 years of global experience. As Co-Founder of Alif Technologies (Dubai) and Syariah Experts (London), he focuses on Islamic fintech and the halal digital economy, including blockchain, crypto assets, tokenization, decentralized economy, halal supply chain, and syariah compliance. He is currently involved in various crypto and Defi projects. He has also developed a proprietary syariah-compliance screening criterion for crypto-assets.

In addition, Dr. Habib has a keen interest in the intersection of finance, technology, and sustainability. He is currently focusing on ESG, climate action, renewable energy, SRI, and green financing. He believes that these areas are critical for achieving shared prosperity and a sustainable future for all.

Previously, Dr. Habib was a Researcher and Advisor at ISRA, a distinguished Islamic finance research institute under the Central Bank of Malaysia (BNM). He has contributed to several projects, research, corporate training, workshops, and consultation work surrounding the areas Islamic finance, capital markets, sukuk, and banking.

Dr. Habib's educational background includes a Ph.D. in Islamic Finance from INCEIF, Malaysia, an MSc in Banking and Finance from Queen Mary, University of London, UK, and a bachelor and master's in economics from the University of Karachi, Pakistan. He also completed an extensive 8-year course covering Hadith, Fiqh, Tafseer, and classical Arabic at Jamia Uloom Al-Islamia, Banori Town, Karachi. He also completed memorization of the complete Holy Quran at an early age.

SPEAKERS' PROFILES

Dr Hilal Houssain
Associate Manager, Knowledge Solutions Team
Islamic Development Bank Institute

Dr. Hilal Houssain is the associate manager for the Knowledge Solutions Team at the Islamic Development Bank Institute (IsDBI), turning ideas into platform-level innovations, designing, and developing real world state-of-the-art tech solutions using Blockchain & AI/ML for the financial and economic development challenges.

Prior to IsDBI, he held various positions in information security and cryptography for Financial Institutions, working within a broad field covering cryptographically secured transactions for chip-based payment cards, authentication/authorization, and related security countermeasures for attacks against cryptographic primitives/schemes.

He holds a PhD in Computer Science “Cryptography”, University Blaise Pascal, France, with five patents on cryptography and DLT, and several dozen articles on security and cryptography published in international journals and conferences.

SPEAKERS' PROFILES
